

WE NEED YOUR HELP!

The marijuana dispensary in Fountain Hills has requested an extension of their hours from Monday - Friday 9am to 5 pm, to 8am - 9pm, seven days a week. This Thursday, March 20th at 6:30pm the Town Council will hear from the public, discuss and grant or deny their request.

The longer the dispensary is open during "non-school" hours, the more likely access is for teens. Using the term medical in front of marijuana confuses the youth's perception of risk of this drug. The lower the perceived risk and the higher the availability the more likely adolescent marijuana usage will be.

This is a chance that every citizen has to directly impact the community. We encourage you to either:

Attend the Town Council meeting.
